RIYA THASLI K

Computer Science Engineering Student | Data Analyst | Web Developer
+91 8330070481 • riyathasli6954@gmail.com • Malappuram, Kerala • Linkedin • Github • Portfolio

TECHNICAL SKILLS

Languages: Python, SQL, JavaScript, HTML, CSS
Libraries: TensorFlow, Keras, Pandas, NumPy, OpenCV, Ultralytics, Flask, matlotlib, seaborn
Tools: Power BI, MySQL Workbench, pgAdmin4, Supabase, Render, GitHub, Google Analytics 4, Google Tag Manager, LabelImg, GIMP, Jupyter Notebook, VS Code, Vercel
Interests: Data Analytics, Database Management, Computer Vision, Machine Learning, Web Development

PROFESSIONAL EXPERIENCE

Data Analyst Intern **Oct 2025 – Apr 2026**
Tata Insights and Quants, Tata Industries Pvt. Ltd. — Bangalore
• Annotated and preprocessed large image datasets using LabelImg and GIMP, ensuring high-quality inputs for a real-world Computer Vision deep learning project.
• Leveraged Google Analytics 4 and Google Tag Manager to track webpage performance, analyze user behavior, and support data-driven decisions.

Freelance Web Developer **Present**
Independent
• Built and deployed a national-level web portal for youth data management in Saudi Arabia using Supabase, Render, HTML, CSS, and JavaScript with role-based access control and centralized database architecture.

Data Analyst Intern **Jun 2025 – Jul 2025**
InLighnX Global Pvt. Ltd. — Remote
• Analyzed raw datasets using Excel and Python; delivered actionable insights through data visualization, improving data accuracy by 30%.

Industrial Training — Python, ML & AI **Jul 2024**
Maitexa — Calicut
• Completed 5-day program; built ML models including linear regression and conducted histogram-based analysis using Python.

PROJECTS

Walmart Sales Analysis
• Analysed weekly sales data from 45 stores, engineered time-series features using Python, and quantified correlation between sales and economic indicators like CPI and unemployment.

Amazon Sales Dashboard 2024
• Transformed raw transactional data into actionable Business Intelligence using an interactive Excel dashboard with pivot tables, visualizing monthly revenue and top-selling products.

Voice-Activated AI Chatbot
• Developed a Python voice-activated AI chatbot using speech_recognition, pyttsx3, and Wikipedia API for web searches and system commands, achieving 90%+ accuracy in speech recognition.

Pizza Sales Report Dashboard
• Built an interactive Power BI dashboard leveraging DAX measures and Power Query to visualize key sales metrics like revenue and top-selling products for data-driven decision-making.

AI Diagnosis & Treatment Recommendation System for Crops
• Developed an AI-powered crop disease diagnosis system using CNN architectures (ResNet/MobileNet) with TensorFlow and Keras, achieving over 90% prediction accuracy on plant leaf datasets.
• Integrated IoT sensors (soil moisture, temperature, humidity) and real-time weather APIs to deliver personalized treatment recommendations, improving decision-making efficiency and enabling near real-time monitoring for smart farming.

National Youth Data Management Web Portal (Saudi Arabia)
• Developed and deployed a national-level youth data management portal in Saudi Arabia using Supabase and Vercel, supporting 500+ user records with optimized backend performance.
• Designed a centralized database and implemented role-based access control (admin/user levels), improving data security and reducing unauthorized access while ensuring scalable multi-user operations.

EDUCATION

Bachelor of Technology — Computer Science and Engineering **Oct 2022 – Present**
KMCT IETM, Calicut, Kerala | CGPA: 6.38

Class XII — Kerala Board of Higher Secondary Examination **2022**
P P M H S S Kottukkara, Malappuram, Kerala | Score: 91.58%

CERTIFICATIONS

Certificate in Programming in Python — SWAYAM | May 2025 | Elite Score: 87%
Hands-On AI: Computer Vision Projects with Ultralytics and OpenCV — LinkedIn Learning | Nov 2025
Online Python Bootcamp — Sep 2023 | 3-day intensive workshop

ADDITIONAL INFORMATION

Soft Skills: Active Listening, Collaboration, Communication, Initiative, Adaptability, Time Management
Languages: English, Malayalam, Tamil
